

Michigan Greenhouse Growers EXPO 2017

Attendance Summary

Choosing the Right Growing Substrate

62 Ryan Dickson, Greenhouse Management and Technologies , Univ. of New Hampshire

Click and Grow with APPs, Websites, and Calculators

96 Garrett Owen, Horticulture Dept., MSU
Roberto Lopez, Horticulture Dept., MSU

Creating Combinations That Break the Botanical Barrier: A Panel Discussion

74 Jessica DeGraaf, Proven Winners, Grand Rapids, MI
Mark & Patty Watkins, Bogie Lake Greenhouses, White Lake, MI
Joe and Debbie Barson, Barson's Greenhouse, Westland, MI
Tammy Carlson, Carlson's Greenhouse, Fenton, MI

Don't Miss Out! Hosting Events That No One Wants to Miss

79 Will Heeman, Heeman's, London, ON, Canada

Do's and Don'ts with PGRs

62 Erik Runkle, Horticulture Dept., MSU

Edible Ornamentals: From the Landscape to the Table

54 Josh Kirschenbaum, PanAmerican Seed, West Chicago, IL
Cheni Filios, PanAmerican Seed, West Chicago, IL

Greenhouse Trends and Challenges in 2017

-- Garrett Owen, Horticulture Dept., MSU
Heidi Lindberg, Extension Educator, MSU Extension, West Olive, MI

Herb Production and Pest Management in Greenhouses

50 Kellie Walters, Horticulture Dept., MSU
Dave Smitley, Entomology Dept., MSU

How to Start Clean Crops for Successful Biological Control

48 Dave Smitley, Entomology Dept., MSU

Insect Management Update for Greenhouse Growers: Biological Control, Life Without Neonics or Conventional Pest Control

98 Dave Smitley, Entomology Dept., MSU

MSU Greenhouse / Floriculture Research Update

62 Western Michigan Greenhouse and Metropolitan Detroit Flower Growers Joint Sponsored
MSU Trial Garden Internship
Art Cameron, Horticulture Dept., MSU
66 Evaluation of the Newly Registered Fungicide Mural Against Common Greenhouse
Diseases
Blair Harlan, Plant, Soil and Microbial Sciences Dept., MSU
66 Determining the Influence of Carrier Water Alkalinity and Greenhouse Air Temperature
on the Efficacy of Ethephon PGR Spray Applications

Michigan Greenhouse Growers EXPO 2017

Attendance Summary

- Roberto Lopez, Horticulture Dept., MSU
- 66 Determining the Effects of LED and HPS Lamp Supplemental and Photoperiodic Lighting on Bedding Plant Plug Quality
Roberto Lopez, Horticulture Dept., MSU
- 57 Benefits of Including Far-Red Light in the Production of Floriculture Plugs
Yujin Park, Horticulture Dept., MSU
Erik Runkle, Horticulture Dept., MSU
- 56 Developing Production Protocols for Potted Stevia
Ryan Warner, Horticulture Dept., MSU

Nutrient Management for Greenhouse Container Crops

- 140 Ryan Dickson, Greenhouse Management and Technologies , Univ. of New Hampshire

Retail Best Practices: 10 Tips to Step-Up

- 106 Bridget Behe, Horticulture Dept., MSU

The ABC's of Growing Plugs from Seed

- 105 The ABC's of Growing Plugs from Seed
Jamie Gibson, Syngenta Flowers, Home and Garden, Greensboro, N.C.
Roberto Lopez, Horticulture Dept., MSU

	Tuesday morning	Tuesday afternoon	Wednesday morning	Wednesday afternoon	Total
Greenhouse	425 (4/4)	291 (4/4)	327 (4/4)	98 (2/3)	1141 (14/15)
